D Y PATIL
DEEMED TO BE
UNIVERSITY
SCHOOL OF
DENTISTRY
NAVI MUMBAI

{my}dentist®
helping the nation smile

The D Y Patil and mydentist ORE preparatory course in partnership with DY Patil deemed to be University School of Dentistry provides everything you need to start building your dental career in the UK.

It is the most comprehensive course of its kind in the world, providing outstanding face-to-face training, more than 100 hours of online course content, as well as mock examinations and practical assessments to help you prepare for the Overseas Registration Exam (ORE).

Uniquely, the course has been developed in association with one of the UK's largest ORE preparatory course providers, mydentist, the UK's leading dental company. This partnership provides unrivalled career opportunities and upon graduation, you will be offered a guaranteed job role at one of more than 500 dental practices across the UK, subject to passing the ORE Part II and the mydentist clinical interview.

The ORE tests the clinical skills and knowledge of candidates and is conducted in two parts, one focused on theory and knowledge, and the other focused on practical clinical skills. Our unique preparatory course provides all the information and support you need to prepare for both parts of the exam
