

## One Health in Action: Peer Learning & Engagement

On 30th September , 2025

In collaboration with IIPH Gandhinagar, the School of Public Health hosted a **One Health Sensitization Program** to bring interdisciplinary health concepts to life. Ms. Juthamane Areeya, Senior Public Engagement Officer at SEOHUN, led interactive roleplays and games, giving participants hands-on experience with One Health principles. The session ended with a group photograph, celebrating learning, collaboration, and real-world engagement.
