

## **Hands-On Workshop: Mastering Qualitative Health Research**

On 14th November, 2025 & 15th November, 2025

The School of Public Health hosted a **dynamic two-day workshop** on Qualitative Methods in Health Research, led by Dr. Anmol Dongre from Sri Manakula Vinayagar Medical College. Participants explored interviews, group techniques, transcription, and research ethics on Day 1, followed by data analysis, demonstrations, and reporting on Day 2. Interactive, hands-on sessions made learning practical, inspiring participants to deepen their research skills.
