Industrial Visit Report

London

Vijay Patil School of Management, D Y Patil Deemed to be University, Navi Mumbai proud to share the successful completion of our International Industrial Visit to London from 22nd January to 30th January 2026, with an enthusiastic group of around 70 MBA and BBA students. This global immersion program was designed to provide a holistic blend of academic excellence, industry exposure, and cultural enrichment.

During the visit, students had the privilege of engaging with one of London Business School, where they gained valuable insights into global management practices, leadership perspectives, and emerging business trends. This academic interaction helped bridge theoretical knowledge with international business realities.

A major highlight of the visit was the tour of the MINI Plant Oxford, where students witnessed world-class manufacturing systems, automation, and lean production techniques in action. This provided a deep understanding of operational efficiency and supply chain excellence. Additionally, a visit to Twickenham Film Studios offered exposure to the creative industry, showcasing the business and technical aspects of film production and media management.

Beyond industrial learning, students explored the iconic city of London through curated sightseeing experiences, enriching their cultural awareness and global outlook.

This international industrial visit proved to be a transformative experience enhancing practical learning, fostering global perspectives, and preparing students to navigate complex international business environments with confidence.
