Event: AIMA Simulation Competition – Western Region Mumbai

Date: 19 March 2025 (Preliminary Round) | 21 March 2025 (Final Round)

Organized by: Pillai Institute of Management

Participating Institution: Vijay Patil School of Management (VPSM)

Introduction

The AIMA (All India Management Association) Simulation Competition – Western Region was hosted by Pillai Institute of Management on 19 March 2025. The event aimed to test students' strategic decision-making, business acumen, and teamwork through a simulated corporate environment.

VPSM Participation

VPSM actively participated in the competition, with a total of eight teams comprising students from MBA and BBA programs. Under the expert guidance and training provided by Prof. Abhimanyu Roy, all students were well-prepared for the simulation rounds.

Competition Rounds

Preliminary Round (19 March 2025): The initial phase saw multiple teams competing across different strategic business scenarios. Among the eight VPSM teams, two teams successfully qualified for the final round.

Final Round (21 March 2025): The shortlisted teams competed against other finalists from different institutions in an intense strategic simulation challenge.

VPSM Achievements

VPSM secured the First Rank in the final round, demonstrating excellence in strategic decision-making and business acumen. The winning team members were:

1. Ayush Deshmukh
2. Jatin Punjabi
3. Daksh Bafna
4. Aman Shetty

All four students are from the MBA First Year and showcased outstanding analytical and problem-solving skills throughout the competition.

Intercollegiate Dance Competition

On **15th November 2024**, students **Siddhant Saleeb** and **Aryan Chavan**, both pursuing their **BBA in the 3rd Year**, proudly represented their college at the **Intercollegiate Dance Competition** organized by the **LIONS CLUB of Navi Mumbai**.

The event was a **charity initiative** that brought together talented performers from various colleges across Navi Mumbai. With a vibrant theme of “**Festivals of India**”, the competition showcased the rich cultural diversity of the nation through dance, music, theatre, and art.

Siddhant and Aryan captivated the audience with their **Ganpati Chaturthi act**, a performance that beautifully highlighted devotion, tradition, and celebration. Their choreography combined energy, grace, and cultural symbolism, leaving a lasting impression on both the judges and the spectators.

Among the many talented teams, their performance stood out and earned them the **3rd Prize** in the competition. This achievement not only reflects their dedication and creativity but also adds to the cultural prestige of their college.

The recognition at such a large-scale event underscores the importance of cultural participation in shaping well-rounded individuals. Siddhant and Aryan’s success is a testament to their passion for dance and their ability to represent their institution with pride.

Case Toh Banta Hai 2024- Case Study Competition

Names: Anushka Ajagekar and Shraddha Chavan

Program: MBA – 2nd Year

Category: Academic Excellence

On **30th November 2024**, MBA students **Anushka Ajagekar** and **Shraddha Chavan** achieved distinction by securing the **Third Prize** in the prestigious **Intercollege “Case Toh Banta Hai 2024” Case Study Competition**, organized by **Dr. Mar Theophilus Institute of Management Studies (DMTIMS)**, Navi Mumbai.

The competition brought together participants from various institutions, challenging them to analyze and present solutions to contemporary business and social issues. Anushka and Shraddha’s presentation stood out for its depth and relevance, as they addressed the **pressing issue of work-life balance challenges in India**.

Through a detailed exploration of **two case studies**, they highlighted the **human cost of overwork**, emphasizing the importance of sustainable practices in professional life. Their analysis combined academic rigor with practical insights, earning appreciation from the judges and audience alike.

This achievement reflects their commitment to **academic excellence**, critical thinking, and problem-solving skills. By securing a position among the top performers in an intercollegiate competition, Anushka and Shraddha have brought pride to their institution and demonstrated the value of applying management education to real-world challenges.

Academic Innovation & Sports Excellence

Name: Kanchi Doshi

Program: MBA – Second Year

The institute proudly recognizes the outstanding achievements of Ms. **Kanchi Doshi**, an exemplary student of MBA Second Year, who has consistently demonstrated excellence in both academic innovation and extracurricular activities during the academic year 2024–25.

Kanchi was awarded the **First Prize in the Intracollege Ideathon Competition** held on **22nd October 2024**. Her innovative business idea stood out for its creativity, practical applicability, and relevance to emerging industry needs. She showcased strong problem-solving abilities, originality in thought, and a clear understanding of market dynamics. Her presentation reflected not only innovation but also her ability to communicate complex ideas effectively, marking her as a promising future leader and entrepreneur.

Further strengthening her profile, Kanchi secured the **First Prize in the Intercollege Chess Competition** on **14th December 2024**, outperforming participants from multiple institutions. Her exceptional strategic thinking, patience, and foresight were evident throughout the competition. This accomplishment highlights her analytical mindset, ability to anticipate outcomes, and skill in making well-calculated decisions under pressure.

Student Name: *Leon Fernandes*
Programme: *MBA – Second Year*
Event: *Inter-College Sports Tournament*

Organised By: SRT10

Occasion: Independence Day Celebration

The institute proudly acknowledges the outstanding sports achievements of Mr. **Leon Fernandes**, a dedicated and dynamic student of MBA Second Year, who has brought laurels to the college through his exceptional performance in the Inter-College Tournament organised by SRT10. His consistent hard work, discipline, and exemplary sporting spirit were clearly reflected in his commendable victories across multiple events.

Leon secured the **First Prize in Table Tennis (Singles)**, demonstrating remarkable agility, precision, and strategic gameplay. His ability to maintain composure during competitive matches highlights his strong mental focus and commitment to excellence. He further showcased his teamwork and coordination by achieving the **First Prize in Table Tennis (Doubles)**, proving his versatility and collaborative skills on the court.

In addition to his victories in table tennis, Leon also emerged as the **Runner-Up in Badminton (Singles)**. His competitive enthusiasm, swift reflexes, and dedication to continuous improvement contributed significantly to his success in yet another demanding sport.

Leon's multi-event achievements reflect not only his sporting talent but also his leadership qualities, determination, and ability to balance academics with extracurricular excellence. The institute applauds his contributions and celebrates his exemplary performance, which serves as an inspiration to fellow students.
